SUSTAINABLE STRATEGY

NAVIGATING THE CHANGING ENERGY LANDSCAPE

OFFSHORE TECHNOLOGY CONFERENCE

4–7 MAY 2020
NRG PARK
HOUSTON, TEXAS, USA
2020.otcnet.org
WHAT’S NEW IN 2020

For the last five decades, OTC has played a major role in connecting people from more than 130 countries to collaborate and discuss the challenges and solutions encountered in the industry. Advancements in the marine renewables sector have made an impact on a global scale. To manage the changes in the offshore industry, OTC is expanding its technical session content to include all aspects of marine renewables.

“OTC is our largest trade show of the year. As this show is well attended by both our international and domestic customers, it provides us a unique face to face opportunity to introduce and discuss our new product technologies and market strategies... OTC gives us a strategic gauge of the present market conditions and an outlook for the coming year.”
— Kim Lamont, GoWell International

What Attendees and Exhibitors Think About OTC

- 94% of attendees gave OTC 2018 an overall positive rating.
- Numerous exhibitors are able to sign multi-million dollar contracts or MOUs at the event.
- 98% of those attending OTC 2018 would recommend the conference to others.

The World Comes to OTC

OTC delivers a unique experience for exhibitors to interact with global energy experts as they share their insights on technological advances, safety, and environmentally focused solutions, and economic and regulatory impacts.

This is your opportunity to engage with world leaders, royalty, CEOs, and US elected officials at OTC 2020.

OTC provides the ability for companies to develop business relationships and tap into emerging regions that are vital to offshore development. Even those who are new to the marketplace have seen that by participating in OTC, they obtain recognition necessary for their growth and visibility to thousands of industry professionals.

“I have been attending OTC since 1975. Each year has always exceeded my expectations, even during the industry downturns. I was very impressed with the new products and systems devoted to AI.”
— 2018 Attendee
