As a condition of and consideration for receiving permission to make still photographs, video and sound recordings/films of portions of OTC 2019, I agree to all of the following conditions, and I represent that I am authorized to bind my news organization to these conditions:

- 1) I will be video-audio taping/filming/reporting/photographing on assignment for the news organization identified above, which has obtained press accreditation to OTC 2019 for me;
- 2) That organization publishes news audio/video or photographic information throughout the year in a regularly scheduled program or programs;
- 3) The video and audio we film, tape or record will be used only in brief news reports to be broadcast/published not later than 30 days following the close of OTC 2019, and no final product will incorporate more than five minutes of video or audio from any one interview, press conference or from the exhibit floor;
- 4) I acknowledge that audio or video recording is NOT permitted in any technical session, or any speaker event, and photography requires permission from the session chairman; I must wear the badge ribbon identifying myself as press so I can be easily identified; shooting in sessions must be non-distracting to the speakers and audience; and time limits may be enforced at the discretion of OTC;
- 5) I will not engage in any streaming or webcasting of OTC 2019;
- 6) I acknowledge that all sessions are owned and copyrighted by OTC and that any still photographs, video and sound recordings/films taken by my organization may not be sold or licensed to any other entity for any purpose without the written consent of OTC;
- 7) This agreement is non-transferable. Any other person representing my organization who wishes to film, videotape or make video or sound recordings in sessions or on the exhibit floor must sign a separate form;
- 8) I also acknowledge the limited license granted to my organization through this agreement permits use only in my organization's own news reports and may be revoked by OTC at any time;
- 9) OTC may limit, at its sole discretion, the locations, times and subjects for video/audio recordings and photographs; and
- 10) I will comply with any individual(s) request to not be photographed or filmed.
